Dear Scholarship Applicant,

The Creation Science Fellowship of Pittsburgh is pleased to offer a new scholarship program for area high school and college students. Over the past several years we have hosted several large events at which students have offered their time as volunteers. As a Creation Science organization, we realize the importance of a commitment to a Biblical Worldview. We are interested in providing opportunities for the youth of our area to expand their understanding of worldview and prepare themselves to become Christian leaders in the Ohio Valley Region.

In the pursuit of this goal, the Creation Science Fellowship of Pittsburgh has set aside funds and raised monies for scholarships for several students from ages 17 to 22 to attend the Summit Student Conference 2010. The scholarship is 50% of the cost of the conference program. Students are responsible for raising the additional cost of the conference, travel, and miscellaneous expenses.

To apply for the Creation Science Fellowship Summit Leadership Scholarship, fill out the application and send it to:
